TOP 5 REASONS COLLEGE IS MORE AFFORDABLE THAN YOU THINK

Chattanooga College
WHY YOUR FUTURE MAY BE CLOSER THAN YOU THINK
Growing up, each of us learns the importance of chasing our dreams. We spend our adolescence finding who we are, and just as we think we’ve figured it out, the responsibilities of adulthood shift our perspective. Life becomes more about meeting obligations than fulfilling the life we always wanted.

It’s time to return to pursuing your passions. Don’t let lack of education prevent you from getting where you want to be in life. Earning your degree may be more affordable than you think.
FINANCIAL AID
Our government is more dedicated than ever to assisting you in your pursuit of higher education. Numerous federal grants & loans are available, making college more accessible than ever.

NO MATTER WHAT YOUR SITUATION, THERE IS A GRANT OR LOAN RIGHT FOR YOU, WITH FINANCIAL AID COUNSELORS READY TO HELP YOU IN THE PROCESS.

INCREASED INCOME
Not only will you be chasing your dreams, but pursuing your degree typically opens opportunities for a higher paying job.

Many colleges offer a work placement program aiding past and current students in the job search. Technical colleges specialize in career advancement, & are especially proficient at placing graduates with a potential employer.
CORPORATE ASSISTANCE
Increased skillsets and furthered education are strong assets to any company, creating knowledgeable, effective employees.

In order to further their business, many employers are willing to help pay for employees’ college expenses. This investment increases overall productivity for the business, and creates valuable opportunities for individuals looking to further their education.

PROGRAM COST
Depending on the specific course of study you’re considering, program fees may not be as expensive as you think. Many returning students find that college expenses are lower than their initial expectations. Ask for yourself what costs are associated with your program of choice, and you may be pleasantly surprised.

THERE’S HELP
You have enough to focus on with your new studies, so let us help with the finances. Our team is here to help you with any questions and problems you may have concerning finances.
