## **About The CARES Act and the Higher Education Emergency Relief Fund (HEERF)**

### **Introduction**

The Higher Education Emergency Relief Fund II (HEERF II) is authorized by the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA), Public Law 116-260, signed into law on Dec. 27, 2020. In total, the CRRSAA authorizes \$81.88 billion in support for education, in addition to the \$30.75 billion expeditiously provided last spring through the Coronavirus Aid, Recovery, and Economic Security (CARES) Act, Public Law 116-136.

1. Chattanooga College Medical, Dental, & Technical Careers signed and submitted the Department of Education Certification & Agreement on March 6, 2021. By doing so, Chattanooga College Medical, Dental, & Technical Careers assures that it will use 100% of the funds under the CRRSAA and ARP (a)(1) and (a)(4) programs to provide Emergency Financial Aid Grants to Students.
2. Chattanooga College Medical, Dental, & Technical Careers will receive a total of \$280,069 for emergency student grants in the budget period 3/6/2021 to 3/5/2022.  
The funds will be disbursed to the college for three quarters:  
QTR 1 May 3, 2021 – \$112,000  
QTR 2 August 30, 2021 – \$98,000  
QTR 3 November 1, 2021 – \$70,069  
All funds (100%) will be distributed to students who are currently enrolled on that date in the same manner as previous – those with the lowest EFC's are in the most need and will receive a larger amount.
3. The third disbursement of \$70,069 was received on November 9, 2021. Checks were mailed to students November 15 and 17, 2021. As of this submission \$73,830 has been distributed to students.
4. All currently enrolled studentthrees as of November 10, 2021 were eligible for emergency grants.
5. Checks were mailed to 225 students. Some were returned for incorrect address and those were re-written and mailed to the student. As of this date, three checks remain unclear. One check was returned and voided. A check for \$700 was written for an emergency grant. A balance of \$1650 is currently in the account.

6. CRRSAA requires that institutions prioritize the funds by student need. Chattanooga College Medical, Dental, & Technical Careers distributed grants based on a student's expected family contribution, or EFC, which is a number that is calculated based on information a student provides on the FAFSA.

One hundred fifty one (151) students with an EFC of 0 to 999 received an award of \$380.

Eighteen (18) students with an EFC from 1000 to 2999 received an award of \$275.

Fifty six (56) other students received an award of \$200. (this is the rest of the enrolled students).

7. There were no special instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants. These funds are to be used by the student for any hardship needs.

The following note was included in each envelope with the check:
